L. Anantasami Rao Esquire.,B.A.,

Offg. Secretary to the Government of His Highness the Maharaja of Mysore in the General and Revenue Departments.

Sir,

I have the honor to forward herewith copies of my letter No. 6080/470 dated 9th April 1904 to the Comptroller and his docket No. 5843/768 Dated 15th Instant in reply thereto.

The service register of Daffedar Aminuddin of the Tumkur District showed that he was 62 years of age and he was therefore recommended for retirement. As the Daffedar represented that his age as shown in the service register was inaccurate and that he was not so old as he was represented to be, Mr. Madiah R.B. satisfied himself by seeing the Daffedar that he was not so old as 62.

On a reference to the records, the entries made in the annual schedules of Establishment, were found to be conflicting regarding the year of birth of the Daffedar. The schedule of Establishment for 1881 shows the year of birth as 1841 and the subsequent ones as 1849 : while those from 1886 to 1895 as 1853. As the original service register of the man was missing, a search was made in the records with the result that a General Service Register of Kandachar Police of 1874 was found. As the entries in this register have been duly attested by Mr. Woodcock

who

who was then in charge of Tumkur District Police, I have no doubt that the age as given in this register is accura

According to this register the Daffedar was 27 years of age on the 2nd November 1874 when he was entertained in service. His present age is therefore 56 years whic is what he now appears to be.

In these circumstanes , I request that you will be s good as to move the Government to sanction the alteration of the year of birth of the Daffedar to 1847 in accordanc with the entry in the Kandachar Service Register.

I have the honor to be,

Sir,

Your most obedient servant,

No. 6080/4~~70~~ Enclosure No. One.

Has the honor to state that there was some discrepancy in the age of Daffedar Aminuddin of the Tumkur District, recommended for retirement on the score of having completed 62 years of his age. The Daffedar having objected to this , a regular enquiry was held into the matter. The Schedules of Establishment submitted from time to time had to be referred to with the result that in none of them the age of the said Daffedar was correctly entered. The Service Register of the Kandachar Police which was found in the old records gives the age of the Daffedar at the time of his entertainment into service on the 2nd November 1874 as 27 years. The entries in this register having been attested by the late Police Assistant Commissioner, Mr. Woodcock, the Deputy Commissioner, Tumkur recommends that this seems to be a more reliable document to determine the age of the Daffedar who on inspection by the undersigned was found to be not more than 57 years old at present. It is therefore considered that the age of the Daffedar given in the service register is accurate and the Deputy Commissioner has been requested to make the needful corrections in the records.

Requests that the Comptroller will also be good enough to correct the schedules of Establishment accordingly.

A copy of the Service Register of the Kandachar Police as far as it relates to the Daffedar is enclosed for information.

With reference to his docket No. 6080/470 dated 9th instant requesting that the date of birth of Daffedar Aminuddin of the Tumkur District Police given in the Annual Schedules of Establishments from the year 1875 may be altered so as to make him 57 years old at present, has the honor to state that the alteration can only be made under the orders of Government which he will be so good as to obtain by bringing to notice the circumstances under which the age of the Daffedar is now found out to have been incorrectly entered when he was first entertained in 1874.
